

## **AM I A FAILURE?**

Doug Feil, MS, LPC

Do you ever feel like a failure? Many of our clients do. What is your theology of failure? The Bible is truth, plus it reveals often spectacular failures from cover to cover, so there must be some great Biblical teachings on the concept of “failure!” In a word study, you will find references to God’s love never failing, but that is it!

Failures in the Bible *aren’t*; in God’s plan He uses them for good if we let Him. Peter’s denial of Him 3 times may on one level look like a failure, yet Jesus predicted it, prayed for Peter ahead of time, and told him what to do when he recovered from it (Luke 22:31-32). He not only recovered, but also led the apostles and wrote one of the great evangelistic verses in the Bible (1 Peter 3:15).

God knows we are broken, but as the Redeemer, we cannot be failures!
