

JIM LEWIS
West Satellite Location

I am still associated with SouthWest Counseling, and I have an office at 141 W Davies Ave, Littleton 80120. I am also in private practice under the business name FULLife Counseling, and I have opened a second office:

**6112 S Devinney Way
Littleton, CO 80127**

The office is part of the Foothills Bible Church campus, in an annex building called "The Shed," just south of the main church building. To enter the campus head west on Bowles Ave past C-470, then turn left at Devinney Way – it's the first left turn you can make west of C-470. Go past the buildings on your left until you come to a "T" intersection. Turn left and follow the road into the church parking lot; go south past the church building to the end of the parking lot. Exit the parking lot and bear left to enter a second parking lot. You will see a sign that says The SHED.

You will enter the building on the north end. Watch for a blue sign that says Counseling Office, with an arrow pointing right. Follow the walk way to the double door facing north. Go through the doors and you will immediately enter the counseling office waiting room. My office is on the left. I will try to meet you when you enter, but if I am in my office, please just take a seat and I will be with you shortly.

Leaving the church parking lot on the south end, you will start to curve right. Turn left off that curve and enter the parking lot for the Shed. Notice the sign.

At the north end of the building you will see a sign for the counseling office. Follow the walk to the entrance.

NOTE: There is an east-facing main entrance farther south, but you cannot enter the counseling office that way. Be sure to enter from the north end.
